

Nature Programs October 2015

Wolfe's Neck Woods State Park

426 Wolf Neck Rd., Freeport, Maine (207) 865-4465

Fall In The Forest	Drawing From Nature	Fall Foliage Hike	Ready, Set, Sleep!
Fall is a great time to get to know the trees, and this program is a fun way to do it.	Use observational drawing as a way to get up close and personal with the park. Drawing materials will be provided, though visitors are welcome to bring their own.	Find out about the amazing changes that deciduous trees go through each fall to produce their wonderful colors.	Discover how nature prepares for winter in this program for children and fun-loving adults.
Casco Bay Walk	Who Lived Here Before Us?	The Bewitching Hour	
Enjoy views of rocky shores, islands, and the bay on this one-mile hike.	Learn about the former inhabitants of this land, and how we can still see signs of the past today in this historical nature walk.	Celebrate Halloween by learning how plants in the park have been linked to witches and magic.	

Steamer Dig: October 10th from **2:00 to 3:30 PM**. Learn about the soft-shell clam, and then try your hand at digging with an experienced guide. **Registration is required**, please contact the park. (Bring mud sneakers or high boots, gloves, and clam hoe or spading fork, and bucket.)

Preschool Nature Explorations (PNE): Preschoolers and their caregivers are invited to join us for a story and a fun, hands-on activity. This program takes place every Sunday in October at 11:00 AM.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
